

## **Directions to White House Conference Center**

726 Jackson Place, NW

Washington, DC

### **Location**

The Conference Center is located near the White House between 17th and 16th streets near "H" Street NW directly East of the New Executive Office Bldg (NEOB) which fronts on 17th St. NW.

Parking in the area of the WHCC is very difficult, so take METRO! The **Farragut West Metro** stop on the Orange or Blue Line is quite convenient (and so is Farragut North). From Farragut West take the 17th St. exit and walk South one block to H St. At H, turn toward the corner of H and Jackson Place, and then right for about a half block before turning in at #726 on your right.

You will be entering through an arched portico toward a courtyard. Enter the door on the immediate right directly inside the portico and take the elevator or stairs to the appropriate conference room.

If arriving by Cab, the driver should turn North on 17th St. toward the White House; then turn right on H St. NW and proceed the half block to the corner of H and Jackson Place to let you off.

### **Security**

There are barricades and guards on the corner to filter White House traffic proceeding down Jackson Place. Just tell the guard you are attending a meeting at the White House Conference Center. No special passes are necessary.
